2019 SciTech Lecture Series

The Ingredients for Innovation in Clinical Research

presented by

Doug Price, MA

President

and

Alexis Gabard, MS, MBA

Director

Clinical Ink

October 31, 2019

4p.m.- 5p.m.

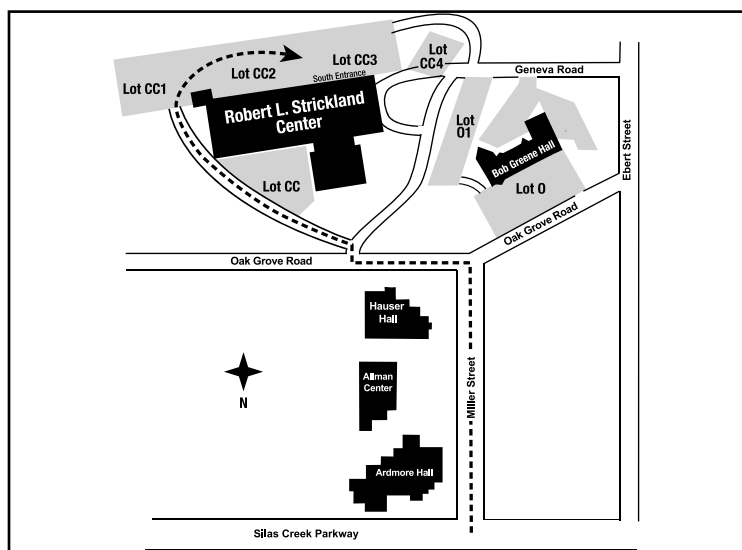

Strickland Auditorium

Robert L. Strickland Center

Forsyth Tech Main Campus

2100 Silas Creek Parkway, Winston-Salem, N.C. 27103

Enter campus on Miller Street and go to the end of the street. Turn left onto Oak Grove Road and then turn right into the first drive.

To reserve a seat at this event:

Mary Flournoy: 336.757.3812, mflournoy@forsythtech.edu

Russ Read: 336.734.7651, rread@forsythtech.edu

Doug Pierce has more than 20 years of experience in digital forms technology, mobile data capture, healthcare workflow solutions and application design. Mr. Pierce co-founded Clinical Ink in 2007 to revolutionize clinical trials by eliminating the complexities and costs associated with paper-based data capture processes. In his role as President at Clinical Ink, Mr. Pierce leads the strategic direction, development and evolution of the Clinical Ink's eSource platform.

Alexis Gabard is the Director of Study Operations at Clinical Ink. Mrs. Gabard has a MS in Counselor Education from UNCG and an MBA from the WFU School of Business. She has experience in the development and preclinical and clinical testing of psychophysiological interventions and medical devices. She has managed preclinical and clinical projects and over \$17M in funding from NIH, the Department of Defense, and BARDA.
